

CANDIDATE BROCHURE

"I am new to the talent services offered by Regency Recruitment, and started having my first exchange of email and telephone interactions with your team at the start of 2021. In a nutshell, I must let you know that I admired and am happy with the quality of the candidate support experience."

REGENCY RECRUITMENT & RESOURCES LIMITED

Since 1996, Regency has helped thousands of job seekers across the Caribbean find exciting new career opportunities, create modern resumes, and participate in interactive training and skills evaluations.

We pride ourselves on creating long lasting and impactful relationships, built on trust, integrity and respect.

Online Evaluations

A successful job search begins with knowing yourself, your competencies, and understanding where your strengths lie. Our online self assessment tools provide you with a detailed report highlighting key attributes that you can then showcase on your resume and during an interview.

Workshops

Regency delivers impactful and relevant training programs at colleges and schools across the region, focused on Resume Writing and Interview Skills. These interactive workshops are designed to provide job seekers with tools and techniques to create effective resumes and ace their job interviews.

Resume ReWrites

In a highly competitive job market, you need a resume that sets you apart. At Regency we use professional templates to create a modern, impactful and personalized resume that will give you the edge over everyone else.
